

## APWA Fall Conference Food Drive

As part of the Fall Conference Golf Outing, APWA collects canned food for donation to a local food pantry. Each canned food item donated not only results in a mulligan for the golfer, but provides a non-perishable food item to feed someone in need.

This year all food items collected were taken to the Des Moines Area Religious Council (DMARC). DMARC partners with 14 food pantry sites in the greater Des Moines metro area to provide a three-day supply of food to individuals or families in need. This assistance is provided once per month at no cost to the recipient.

Last year the DMARC Food Pantry Network:

- Assisted over 48,000 unique individuals
- Assisted nearly 20,000 unique households
- Distributed over 1.8 million food items

This year's food drive resulted in the collection and donation of over 400 food items.

Thank you to all that participated. Your donations were greatly appreciated by the DMARC staff.
