

## Public Works Director

Franklin County, Kansas, one of the fastest growing counties in Kansas, is located approximately 25 miles southwest of the Kansas City metropolitan region on Interstate 35. Our quaint historic community possesses superb educational systems (pre-school through post-secondary), an award winning health care facility, affordable housing, arts and entertainment. Our Public Works Department maintains 1,029 road miles and 244 bridges in our 571 square mile county, and includes Noxious Weeds, Solid Waste, Recycling, and Household Hazardous Waste. For more information about the community, visit <http://www.franklincoks.org>.

Candidates are required to have a bachelor's degree in engineering, public administration, business administration, management, or a related field and 3-5 years of management experience. The preferred candidate will have 6+ years of progressive management experience in public works and/or county government. Candidates must possess effective communication skills, be able to collaborate with the county commission, staff, public and other agencies, and be comfortable with a transparent form of government.

Salary \$80,000 to \$100,000 DOQ. Benefits include health and life insurance, KPERS, and more.
